

Dear Parents

We recognise that choosing the right school for your family is an important decision for parents.

Parklands School is committed to providing an exciting, supportive and happy place of exploration and learning for children. Our philosophy is based on Montessori principles of independence, nature and play based learning and respect for self and others.

We recognise that the partnership between home and school is vital. We are excited to become learning partners with parents and nurture a lifelong love of learning amongst our whole community, to the benefit of each child.

We encourage you to explore the opportunities available at Parklands and invite you to visit the school to view our classrooms in action, meet with staff and to ask questions to help you in making this decision for your child's future.

We welcome your interest and look forward to a happy partnership should you decide to enrol at Parklands School.

Warm regards
